

# Excerpt from **THE CITIZEN'S RULE BOOK**

The following excerpt concerning freedom is from **THE CITIZEN'S RULEBOOK** . . .

## A SUMMARY OF THE TEN COMMANDMENTS

The TEN COMMANDMENTS represent GOD'S GOVERNMENT OVER MAN! GOD commands us for our own good to give up wrongs and not rights! HIS system always results in LIBERTY and FREEDOM.

The Constitution and the Bill of Rights are built on this foundation, which provides for punitive justice. It is not until one damages another persons property that he can be punished. The Marxist system leads to bondage and GOD'S system leads to LIBERTY! Read very carefully:

1. Thou shalt have no other gods before Me.
2. Thou shalt not make unto thee any graven image.
3. Thou shalt not take the name of the Lord thy God in vain.
4. Remember the Sabbath to keep it Holy.
5. Honor thy father and thy mother.
6. Thou shalt not murder.
7. Thou shalt not commit adultery.
8. Thou shalt not steal.
9. Thou shalt not bear false witness.
10. Thou shalt not covet.

Directly above the Chief Justice's chair is a tablet signifying the TEN COMMANDMENTS. When the Speaker of the House in the U.S. Congress looks up, his eyes look into the face of Moses.

***"The Bible is the Book upon which this Republic rests."***

—Andrew Jackson, Seventh President of the United States

"The moral principles and precepts contained in the Scriptures ought to form the basis of all our civil constitutions and laws. All the miseries and evils which men suffer from vice, crime, ambition, injustice, oppression, slavery, and war, proceed from their despising or neglecting the precepts of the Bible." —Noah Webster

## A SUMMARY OF THE COMMUNIST MANIFESTO

The Communist Manifesto represents a misguided philosophy, which teaches the citizens to give up their RIGHTS for the sake of the "common good," but it always ends in a police state. This is called preventive justice. Control is the key concept. Read carefully:

1. Abolition of private property.
2. Heavy progressive income tax.
3. Abolition of all rights on inheritance.
4. Confiscation of property of all emigrants and rebels.
5. Central bank.
6. Government control of Communications & Transportation.
7. Government ownership of factories and agriculture.
8. Government control of labor.
9. Corporate farms, regional planning.
10. Government control of education.

## GIVE UP RIGHTS FOR THE "COMMON GOOD"?

*Where people fear the government  
you have tyranny; where the  
government fears the people, you  
have liberty*

Politicians, bureaucrats and especially judges would have you believe that too much freedom will result in chaos. Therefore, we should gladly give up some of our RIGHTS for the good of the community. In other words, people acting in the name of the government, say we need more laws and more JURORS to enforce these laws—even if we have to give up some RIGHTS in the process.

They believe the more laws we have, the more control, thus a better society. This theory may sound good on paper, and apparently many of our leaders think this way, as evidenced by the thousands of new laws that are added to the books each year in this country. But, no matter how cleverly this Marxist argument is made, the hard fact is that whenever you give up a RIGHT you lose a "FREE CHOICE"!

This adds another control. Control's real name is BONDAGE! The logical conclusion would be, if giving up some RIGHTS produces a better society, then by giving up all RIGHTS we could produce a perfect society. We could chain everybody to a tree, for lack of TRUST. This may prevent crime, but it would destroy PRIVACY, which is the heartbeat of FREEDOM! It would also destroy TRUST which is the foundation for DIGNITY.

Rather than giving up RIGHTS, we should be giving up wrongs! The opposite of control is not chaos. More laws do not make less criminals! We must give up wrongs, not rights, for a better society! William Pitt of the British House of Commons once proclaimed,

*"Necessity is the plea for every infringement of  
human liberty; it is the argument of tyrants; it is the  
creed of slaves."*
